Title: Need to extend the services of the EMU coaches of the Bandel-Katwa section under Howrah Division of Eastern Railway.

DR. RATNA DE (NAG) (HOOGHLY): Sir, there is a need for augmentation in the service of the EMU coaches of the Bandel-Katwa Section under Howrah Division of Eastern Railway. There is also a need for introduction of a new pair of EMU coaches from Katwa to Sealdah in the morning, and Sealdah to Katwa in the evening so that the pace of rail transportation is enhanced and grievances of the people are addressed seriously. This place is an agricultural and industrial bed inhabited by the business people, who depend mainly on rail transportation.

So, through you, Sir, I would like to urge the hon. Railway Minister to take up this matter on priority basis and instruct the authorities to take necessary action.
